## *WEDDING RATES*

*Our clubhouse is perfect for a wedding reception of up to 95 guests. You will not require much in the way of decoration since the clubhouse offers a beautiful plantation style construction with high vaulted ceilings, oak dance floor and granite-top bar for your convenience. Wedding ceremonies are often held outside on our cobblestone patio which overlooks the 9th green and a pond, which makes for a striking setting. After the ceremony there are many locations available for memorable wedding photography. Our objective is to work closely with you to ensure a very smooth-flowing, wonderful and memorable experience for your special day.*

*We have been hosting weddings & receptions at our clubhouse since 2002 and would be happy to reserve your date for 2016/2017, providing you an opportunity to experience our hospitality for your special day.*

*Please contact Miranda to arrange a viewing and for additional information.*
